

“FROM THE HEART”
GROCERY & PERSONAL NEEDS

Thank you for any size donation you are able to make! Every single item makes a difference to the individuals and families we try to help all year long! Your generosity is truly a blessing!

Below is our wish list, although, the list is truly endless! We often say we can even find donations by simply going through our own pantries. Do you find you have multiple items or items you won't use? You might be able to fill a bag for donation without ever leaving the house!

Some stores give free items away! Others have Buy 1 Get 1 Free offers! Even one extra item in your shopping cart each week...when added with others doing the same...can bring tremendous support where it is needed!

Thank you for making a difference!
